

SPAY/NEUTER SURGERY CONSENT FORM

Owner:
Case No:
Street:
City:
Phone:

Patient:
Species:
Sex:
Age:
Breed:

Date:

I, the undersigned, do hereby certify that I am the owner (or duly authorized agent for the owner) of the animal described above, that I do hereby give Harden Ranch Veterinary Hospital, their agents, servants, and/or representatives full and complete authority to perform the treatments and or surgical procedures described as:

Feline Spay **Feline Neuter** **Canine Spay** **Canine Neuter**

I understand that during the performance of the foregoing procedures and/or operations, unforeseen conditions may be revealed that necessitate an extension or change in the procedures or treatments set forth above. Therefore, I hereby consent to and authorize the performance of such procedures or operations as are considered therapeutically and/or diagnostically necessary in the exercise of the veterinarian's professional judgment.

I also authorize the use of appropriate anesthetics and other medications and understand that veterinary service is provided during the nighttime hours only as necessary in the judgment of the attending veterinarian.

I have been advised as to the nature of the procedures or operations and the inherent risks involved. I realize that results cannot be guaranteed and complications can occur even under the best of conditions. I have read and understand this authorization and consent.

PAYMENT IS DUE UPON RELEASE - DEPOSITS MAY BE REQUIRED

In order to increase anesthetic safety, all patients being sedated or anesthetized are required to have a pre-anesthetic blood profile performed at the attending veterinarian's discretion. This profile examines blood counts and organ function in order to detect any underlying health problems that might affect the ability of the patient to undergo anesthesia safely.
